Cookie policy

This website uses cookies. A cookie is a small file of letters and numbers that we put on your computer. Cookies contain information that is transferred to your computer's hard drive. Each

cookie expires after a certain period of time depending on what we use it for. These cookies allow us to distinguish you from other users, help us to provide you with a good experience when you use our website and also allow us to make improvements. Below we describe the various types of cookies we use on our site.

Cookies used on our site

"strictly necessary" cookies let you move around the website and use essential features. We can't provide you the website services without these cookies. These cookies do not collect information about you that could be used for remembering where you've been on the internet outside of the website.

We use these strictly necessary cookies to do things like remember information when you navigate to different pages during a web browser session, identify you as being logged in to our website, make sure we deliver the right information to one of your requests and direct you to specific applications or specific servers.

Performance

"performance" cookies collect information about how you use our website related to analytics.

These cookies do not collect any information that could identify you and are only used to help us

improve the website.

Performance cookies are managed for us by a third party. We don't allow the third party to use

The cookies for any purpose other than those listed above. Specifically, we use google analytics

To collect information about how people use this website. Google analytics stores information

Such as what pages you visit, how long you are on the site, how you got here, what you click on

And where you visit us from. We do not allow google to use or share our analytics data. You can

Install a google analytics browser "plugin" to prevent the website sending information about Your visit to google analytics. Please go to google analytics & privacy to find out how.

Functionality

"functionality" cookies are used to remember data and to improve your visit. We use

Functionality cookies to do things such as remembering the language you want to use the site in

And similar functionality.

Targeting

"targeting" cookies are for to services provided by third parties, such as 'like' buttons and 'Share' buttons. Third parties provide these services in return for recognizing that you have Visited our website.

We use targeting cookies to link to social networks such as facebook and twitter. These sites May use information about your visit to target advertising to you on other websites

General info about cookies

You can remove or disable cookies via your browser at any time. Please refer to your browser's

Configuration documentation for the steps you need to take to remove or disable cookies.

Accepting cookies is a condition of using the website, so if you remove or disable them we

Cannot guarantee how our website will perform for you.

Some cookie names vary depending on the user. Also, some of these cookies may not be used

When you use our site.

We recommend you take a look at www.allaboutcookies.org to find out more about cookies,

Methods of seeing what cookies are set in your browser and methods of deleting cookies
